**NOTICE OF AVAILABILITY OF A MAGISTRATE JUDGE TO EXERCISE
OF JURISDICTION AND APPEAL OPTION**

In accordance with the provisions of Title 28, U.S.C. 636(c), and Fed. R. Civ. P. 73, you are hereby notified that a United States magistrate judge of this district court is available to exercise the court's jurisdiction and to conduct any or all proceedings in this case including a jury or nonjury trial, and entry of a final judgment. Exercise of this jurisdiction by a magistrate judge is, however, permitted only if all parties voluntarily consent.

You may, without adverse substantive consequences, withhold your consent, but this will prevent the court's jurisdiction from being exercised by a magistrate judge. If any party withholds consent, the identity of the parties consenting or withholding consent will not be communicated to any magistrate judge or to the district judge to whom the case has been assigned.

An appeal from a judgment entered by a magistrate judge may be taken directly to the United States court of appeals for this judicial circuit in the same manner as an appeal from any other judgment of a district court. Alternatively, upon consent of all parties, an appeal from a judgment entered by a magistrate judge may be taken directly to a district judge. Cases in which an appeal is taken to a district judge may be reviewed by the United States court of appeals for this judicial circuit only by way of petition for leave to appeal.

Copies of the Form for the "Consent to Exercise of Jurisdiction by a United States Magistrate Judge and Order of Reference" are available from the clerk of the court.
